

# Rallye Maths

## Manche 3 - Épreuve 4 Le magasin

**Matériel :**

Une grille plastifiée (différents niveaux)  
Les instruments (3 couleurs)  
Une fiche d'auto-correction

(agrandir le matériel en A3 pour faciliter la manipulation)

**Organisation :**

Par binôme ou par groupe

**Déroulement :** Raconter l'histoire suivante :

« Dans le magasin de musique, le vendeur demande à Mathéo et à Mathilde de ranger les instruments dans les casiers. Ils doivent suivre les consignes pour bien les ranger. Peux-tu les aider ? ».

**Variables :**

*Nombre d'instruments / nombre de couleurs*

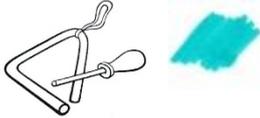

**Validation :**

Verbalisation de la stratégie utilisée par groupe, en collectif ; échanges et justifications.

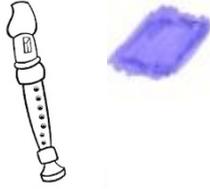

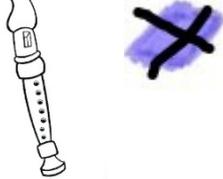

NIVEAU 1 : compréhension des consignes

	
	

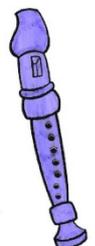

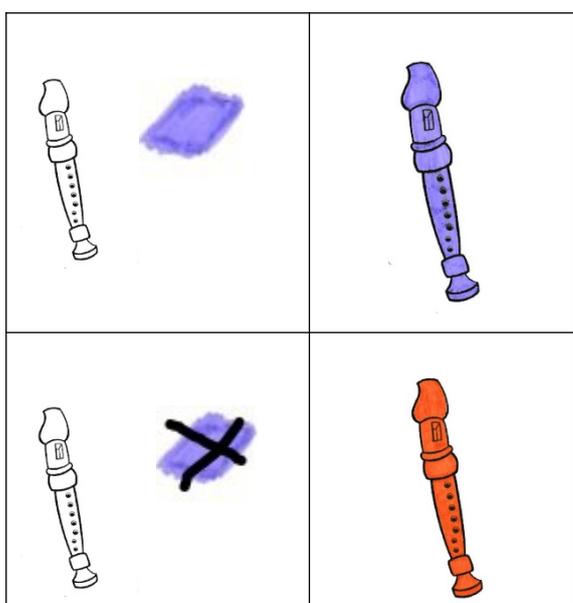

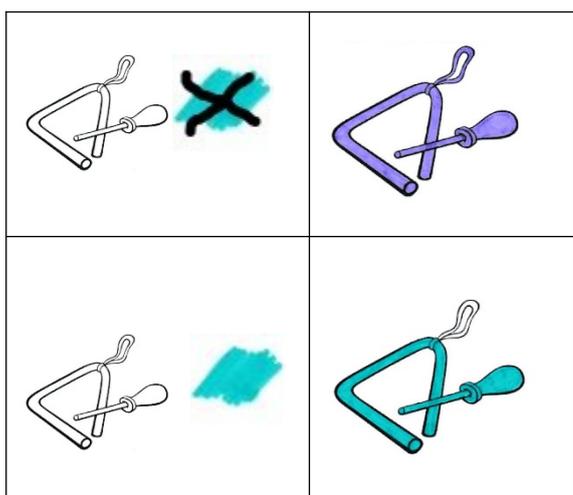

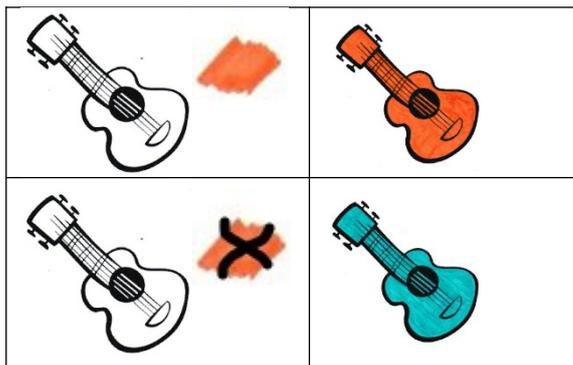

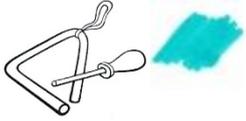

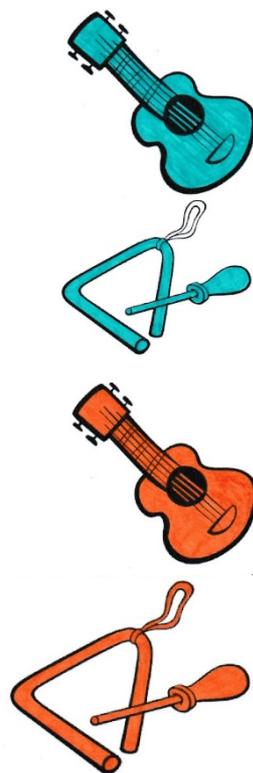

Auto-correction :
